Creative Partner in Lab Furniture

**CINETICO TURNKEY PROJECTS CONTRACTING L.L.C.**

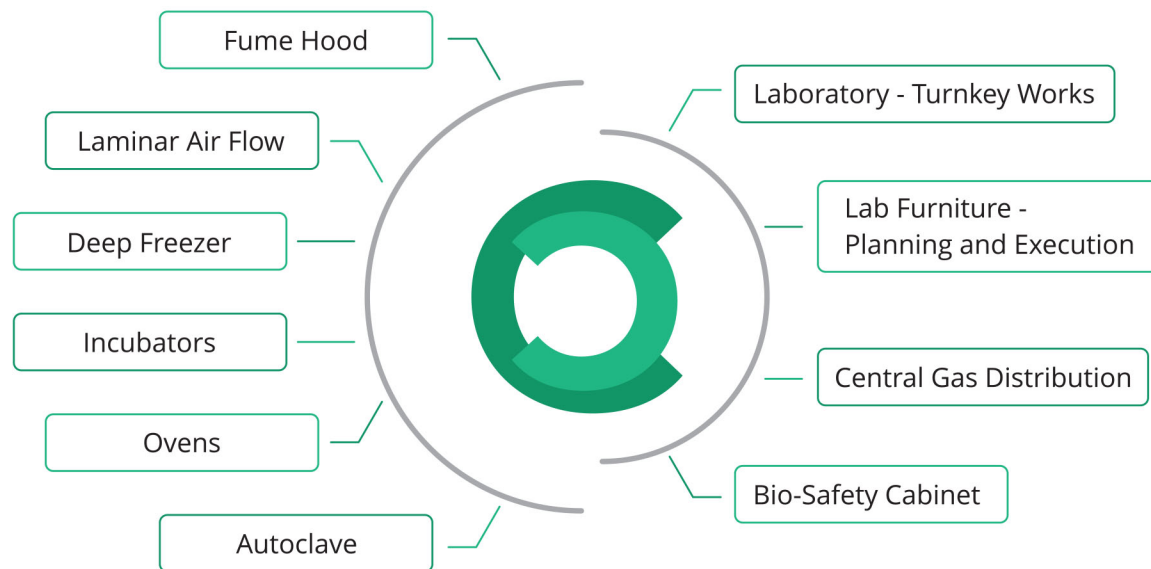

# Our Profile

## ***Bringing Innovative Solutions to Lab Infrastructure***

Cinetico is a leading lab solution provider for Educational Institutions, Research Centers, Industrial Quality Control Labs, Microbiology Labs, etc. We are a team with twenty plus years of expertise in executing Lab projects across India. Our expansion to the UAE means we can now offer our top-quality services to scientific fraternity in Middle East. Our motto is to help put forth both creative and innovative solutions to our client requirements.

Cinetico is specialized in the execution of Lab Infrastructure such as laboratory furniture, central gas distribution system, fume hood, bio-safety cabinet, laminar air-flow, etc. We also provide custom fabricated stainless steel and powder-coated furniture.

Cinetico is the preferred solution provider offering the finest quality products. We, along with our exclusive partnership with our business partners, ensure prompt delivery of high-quality products at an affordable price. This reliability has helped us garner the trust of our large clientele.

# Our Principal Partner

From Mid 1990s, We were Furnishing the Indian Laboratories, spanning a range of Industries, from Paints to Pharma, Fertilizer Labs to Food Labs and from Start ups to Clinical Research. We kept evolving... despite all the challenges around... we kept learning... we kept growing... definitely not alone... with you – with our customer.

We always were versatile to our core, though our Resources were limited. We were always flexible enough to understand the pulse of every customer, though communication media was a challenge. We made Innovation a Habit, though Technology at times was Limited.

We kept evolving... despite all the challenges around... we kept learning... we kept growing... definitely not alone... with you – with our customer.

After 25 years, in 2019 we still keep evolving with Our Association with Burdinola, SEFA Membership, Sprawling Manufacturing Facility of around 60000 Square feet, Exports to more than 10 countries, TRESPA Dealership, etc.

We still keep evolving by Bench marking our Lab Benches, to the world, setting new Standards with Quality manufacturing and pitching Our Fume Hoods as the Best Middle Range Fume Hood in India, Delivering Envable Value Proportion, all the way.

TRESPA®

**BROEN-LAB**

## Lab Furniture Range

- Island Benches
- Wall Benches
- Peninsular Benches
- Anti Vibration Tables
- Instrumentation Benches

## Benches of Steel

Features:

- Plinth mounted laboratory furniture
- Cantilever type laboratory furniture
- Epoxy powder coated galvanized iron modules
- Highest quality and standards
- Available in wide range of colours and configurations
- Multiple choice of worktops
- Integrated Electrical / Data points
- Crafted to perfection

## Fume Hoods of Art

Features:

- Equipped with all advanced features
- Utility access panel
- Multiple choices of automation
- Vast range of colours to choose
- Imported Airflow monitor with alarm
- Highly energy efficient
- Finger tip operation of the sash door

## Fume Hood Range

- Walk in Fume Hoods
- Bench Top Fume Hoods
- VAV Fume Hoods
- Distillation Fume Hoods

## High Quality Storage Solutions

- Retain sample storage units
- Ventilated chemical storage units
- Full height storage units
- Floor mounted storage units
- Wall mounted storage units
- Open type sample storage racks
- Chemical storage cabinets
- Solvent storage cabinets

## Wide Range of Premium Lab Accessories

- Spot fume extractors
- Laboratory water faucets
- Lab sinks
- Bench mounted utility valves
- Peg boards of PP & SS
- Emergency eye wash
- Laboratory safety shower

## Our Esteemed Clients

# Our Principal Partner
